

At a time of immense environmental and ecological challenge, it is essential that the world's faith traditions engage more fully in what we may call planetary awareness and action.

Devon Earth and Faith Network

Earth Matters, Faith Matters 8

Foraging, Forests & Faith
Sunday 29 April 2018, 10.30am - 4.00pm

This will be a visit to the Forest Garden at Dartington, South Devon.

The day will consist of some walks around the Forest Garden, Pollinators Sanctuary and other sites in the area. We will include discussion on the benefits of woodland and local wildlife. There will also be an opportunity for some foraging and exploring native plant species.

Please bring with you lunch to share, and any appropriate reflections, stories and prayers about plants and animals from your own community traditions.

Shared transport will be arranged from Exeter on request.

All are welcome!
